DECLARATION *hardware*

Versatile Declaration gives you a choice of two pulls for door and drawer fronts. The illustrations show the white porcelain pull, but in each case, the brass and walnut pull is also available. In every instance, the two pulls are identified by separate style numbers.

WHITE PORCELAIN PULLS

Inspired by the straightforward simplicity of the early New England Shakers, whose timeless furniture designs are rediscovered in Declaration. A fresh, pure accent against the richness of fine oiled walnut.

BRASS AND WALNUT PULLS

Center is a walnut-grained polyester laminate, set in gleaming brass. Created to carry out the beauty of Declaration's striking oiled walnut finish, and blend harmoniously into the furniture background.

DECLARATION *upholstery*

One of the most appealing facets of Declaration is the complete selection of handsome upholstery. Smart contemporary styling and a delightful range of fine fabrics, perfectly complement the Declaration theme. See the exciting upholstery collection at your Drexel dealer's showroom.
